1) FREE KAHOOT QUIZ
FOR ALL WORKSHOPS
ABOVE 10 PAX

ALL WORKSHOPS ABOVE 10 PAX INCLUDE A FREE Kahoot! QUIZ

Disclaimer: This quiz will be removed if you opt for +$3 teambuilding game because the teambuilding games will already involve kahoot quizzes.

It's a 8-question MCQ quiz testing knowledge in plants, whereby one mini succulent prize will be awarded to the winner!

Prize: One mini live succulent worth $10 sponsored by us. You may top up for more prizes at $10 each.

For kids workshops, we can have adults accompany them in taking the quiz if they do not have mobile phones/ipads. Or inform us in advance and we can run the quiz using slides.

MAKE IT MORE FUN!

You may customise the questions to your organisation or team members if you top up $2/pax. Just send us up to 3 questions per quiz and we'll set it up in kahoot for you.

2) + $3 / PAX TERRARIUM TEAMBUILDING GAME

+ $3 / PAX TEAM BUILDING GAME

Top up $3/pax to integrate a teambuilding game into the workshop.

Teams work together to win bonus figurines in kahoot quizzes, before discussing and presenting their terrariums.

Each pax still walk home with one terrarium each.

TEAMBUILDING GAME ITINERARY

FOR 10-60 PAX ($3 / PAX ADD ON)

1) Participants listen to presentations about craft steps and care tips of the terrarium they are making. By default, everyone begins with 3 figurines.

2) They then participate in 2 kahoot quizzes about craft steps and care tips. Each team member uses his/her mobile devices, discuss the answer during "team talk", and submits their answers. The average score of the team is then calculated by kahoot.

3) Each team member of the group gets 1 more figurine if the team makes it to top 3 in the craft steps quiz. They get another figurine if they make it to the top 3 again in the craft steps quiz.

4) Groups plan the concept of their terrariums and choose figurines together.

4) They work on their terrariums together, with the help of facilitators.

5) Once done, they discuss how to present their terrariums. Teamwork accounts for 50% of the grade. Creativity 30%, neatness 10% and presentation 10%.

6) They present their terrariums to the rest, while instructor and one other facilitator grades.

Let us know if you'd prefer us to judge, or you'd like to have your own judges.

7) The winner is announced and given a prize. Prizes can be either provided on your end or we will award a cactus pen to each pax if there's no budget for prizes.

8) Photo-taking

NOTE: KAHOOT CAN ONLY SUPPORT UP TO 10 TEAMS AND WE'D RECOMMEND NOTHING MORE THAN 6 PAX IN A TEAM.

3) SUPPLEMENTARY FEES

1. TRANSPORT ADJUSTMENT FEE 

Our transportation fee covers the delivery and collection of all workshop materials and equipment, including the logistics arrangements required before and after your event.

Fees may vary depending on the event location, with higher charges applicable to certain areas due to additional travel time and logistical requirements.

CBD - $150
Town - $150
Sentosa - $200
Tuas - $180
Certain locations in the far north, south, east and west - $150

2. OUT OF HOURS FEE 

For workshops held outside our regular operating hours, an additional fee may apply to accommodate the higher manpower and transportation costs involved.

This also takes into account the additional time our crew spends on logistics preparation, transportation, setup, and teardown, beyond the actual workshop duration.

Events starting before 1030am - $5/pax
Events during 12-2pm - $5/pax
Events starting after 5pm - $5/pax
Fri, Sat, Sun - $5/pax

3. JUNIOR PARTICIPANT SUPPORT FEE 

This fee covers the additional manpower and hands-on guidance required for younger participants, who may need closer supervision and more individual assistance throughout the workshop. This ensures that each child receives adequate support to complete the activity safely and enjoyably.

Participants aged below 12 - $5/pax

4. FESTIVE OPERATIONS FEE 

Our Festive Operations Fee helps us fairly compensate our team for working during festive periods, when additional manpower costs may apply. This allows us to continue delivering the same quality of service while recognising our team's time and commitment during these special occasions.
